Addendum

At the following BFTA meeting the subject of the Home International was raised and its viability was discussed. Wales actually queried if it was now 'dead in the water' due to Scotlands seeming inability to send a Team to Wales or England. Regions were asked to consider a number of points and bring their decision to the next BFTA Meeting in January.

1. Should the International continue?
2. Should it be combined with another shoot?
3. Should a fixed central venue be used?

The next meeting will be before the next BFTA meeting at 0930 hrs on Saturday 24th January 2009.
